

**STRATFORD-UPON-AVON M.C.C.**

Permit: ACU46673

THE 88<sup>th</sup> COLMORE CUP TRIALDate: 6<sup>th</sup> March 2015**COMPETITORS FINAL INSTRUCTIONS**

**START:** The Sheldon Bosley Hub, Pittway Avenue, Shipston-on-Stour, Warwickshire. CV36 4DQ. Riders will start at one minute intervals, rider number 1 at 9:01 a.m., the rest as per championship regulations. The starting area will be a silent zone, other than machines may be ridden to the official start at their appointed time. Riders will be issued with a number to be displayed on the front of their machine, white for the championship route and red for the easier route. The staff of the Sheldon Bosley Hub will be selling refreshments.

**ROUTE:** The route is 27 miles and will be marked with 4" squares, blue = left, white = straight on and red = right. Off road will be marked with dayglo arrows.

**MARKING:** The method of marking will be TSR22B - NO STOP.

**PUNCH CARDS:** The full onus rests with the rider to ensure their card is punched as soon as they complete their attempt at a section. Failure to obtain a card being punched in this way will result in a 10 mark penalty. The observers decision is final. The loss of a card will deem that competitor to have retired from the event. If any disagreement occurs over marking, the observer is to be told of such dispute. The observer will then report the incident to the Clerk of the Course as soon as they are able. Any competitor refusing to have his/her card punched will be excluded. Two cards will be used, the first will be issued at the start and changed after the 20th section at Weston Wood, where the second card will be issued. The second card is to be handed in at the finish..

**TIME ALLOWED:** The time allowance to complete the course after the final section is 6 hours for each competitor. Any rider exceeding that time limit will be penalised 1 mark per minute up to 20 minutes, after which time they will be excluded.

**TIME CONTROL:** Time will finish after the last section. Competitors may ride their machines or be transported to the finish where they must hand in their punch card.

**FINISH:** The bar on the first floor of the Sheldon Bosley Hub will be open to all. Results will displayed there after the trial.

**LIST OF COMPETITORS**

#	Rider	Machine	Club	Class
1	Tom Manley	300 Sherco	West of England Motor Club	D
